IPM Office Policy

We recognize and appreciate that health care can involve a major financial commitment. We aim to provide you with effective services and treatments. As a patient of the Institute for Progressive Medicine, you are responsible for the total charges incurred for each visit or any balances. Charges for cash services are to be paid at the time of each visit. All patients are required to complete the following forms: **1) IPM New Patient Packet, 2) IPM Physician-Patient Arbitration Agreement 3) IPM Patient Private Contract. These documents must be completed and signed before a patient may see a doctor or receive any service at IPM.**

Payment for all services is due at the time of service. You have the right to refuse any service recommended by our staff for any reason. We accept cash, check, most major credit cards, and Care Credit as valid forms of payment. There will be a \$35.00 charge for any returned checks.

IPM does not accept medical insurance plans for services rendered at our facility. If you have any questions about our payment policy, please contact reception. If you have private insurance our office staff may provide you with the necessary paperwork (super-bill, procedure and diagnosis codes) that you will need to submit for reimbursement to your insurance company. Most insurance companies do not cover integrative or alternative medical services. You have the primary relationship with your insurance company and you are responsible for the total amount owed at the time of your visit. Unfortunately, due to Medicare regulations, IPM is unable to provide superbills or billing assistance for reimbursement for patients who have Medicare or Medicare Advantage plans.

We are committed to providing timely and exceptional care to our patients. Unfortunately, when one patient cancels without giving enough notice, they prevent another patient from being seen. **Please call reception at least 24 hours in advance of your appointment for any changes or cancellations. To change or cancel a Monday appointment, please call us before 12:00pm on Friday.** If prior notification is not given, there will be a **\$50.00** charge missed appointments or appointments cancelled without enough notice.

We make every effort to see all scheduled appointments; however, we reserve the right to reschedule your appointment if you arrive more than 15 minutes after your scheduled appointment time, or in case of emergency.

I have read, understand, and agree to the **IPM Office Policy** above.

IPM Prescription Medication Policy

Prescription medication may be recommended and prescribed by a physician at the Institute for Progressive Medicine. All prescription medications present a potential risk of side effects which may or may not be noticeable to the patient. Side effects may be compounded or worsened when using multiple medications. For this reason, their use must be monitored by a physician. Our policy on prescription refills exists to comply with federal drug regulations and to protect the health of our patients.

- No patient will receive a prescription refill unless he or she has been seen in person by a physician at the Institute for Progressive Medicine within the last 12 months. If you have not been seen by a physician at IPM within this time, you will be required to be seen in-person by an IPM physician before a refill can be granted by our staff.
- Under certain circumstances our physicians may require a patient to be seen in-person before a refill can be given; even if it has been 6 months or less since the last office visit.
- When requesting a refill, please do not call our office. Instead, request that your pharmacy fax a prescription refill request to us at 949-600-5101. Allow up to 72 hours for our medical staff to respond to refill requests from your pharmacy.

Laboratory Billing Information

Our doctors may order laboratory or other diagnostic testing for you. Most testing will be sent to an outside laboratory for processing and billing. It is your choice to receive laboratory testing recommended by your doctor. The fee for collection of samples at IPM to be sent to an outside laboratory is \$25.

Outside laboratories are usually contracted with most major insurance plans, so they may bill your insurance for you. Please make sure you provide your current insurance information to our staff so that it can be forwarded to the lab for billing purposes.

It is the patient's responsibility to understand their individual insurance policy and coverage. If you are unsure about coverage for a particular test or procedure, please contact your insurance company directly.

I have read, understand, and agree to the **IPM Prescription Medication and Laboratory Billing Policy** above.
